PUNLAND KIDS

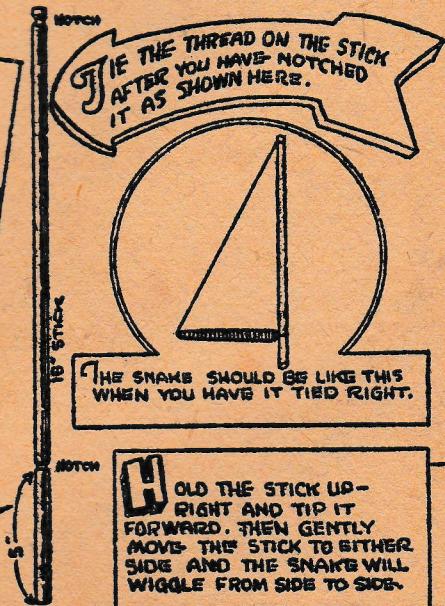

FIRST OF ALL GET SOME-COLORED PAPER - THE MORE COLORS THE BETTER. THE SNAKE WILL LOOK. NEXT-CUT IT UP INTO CIRCLES, STARS, SQUARES AND DIAMONDS. THESE PIECES SHOULD ALL BE THE SAME SIZE - ABOUT 1 INCH.

Like these shown here

WITH A NEEDLE AND THREAD, THE PIECES ARE STRUNG-TOGETHER. TIE A KNOT NEAR THE END OF THE THREAD - LEAVING ENOUGH TO TIE IT ONTO THE 8 IN. LONG. WHEN YOU HAVE MADE YOUR SNAKE LONG ENOUGH, TIE A SMALL NUT FOR THE HEAD ONTO THE THREAD. LEAVE ABOUT 24 IN. OF THREAD FOR TYING TO THE TOP OF THE STICK.

IF THE THREAD ON THE STICK AFTER YOU HAVE NOTCHED IT AS SHOWN HERE.

THE SNAKE SHOULD BE LIKE THIS WHEN YOU HAVE IT TIED RIGHT.

HOLD THE STICK UP-RIGHT AND TIP IT FORWARD. THEN GENTLY MOVE THE STICK TO EITHER SIDE AND THE SNAKE WILL WIGGLE FROM SIDE TO SIDE.
